MAP Bulletin # 50

August 12, 2020

Dear MAP members,

How are you doing? That's a common question nowadays and one that MAP wants to focus on during the pandemic and the unrest caused by overt and covert racism – providing support through online MAP meetings, information and a friendly check in. We will keep you up to date with any changes to refugee claimant services as they happen - and ask if you have information that you would like to share with MAP that you let us know (info@mapbc.org).

NEWS!!

- **MAP's 50th !! Bulletin! That's something to shout about!**
- **MAP Fall Meeting Schedule** available – in this bulletin AND at <https://mapbc.org/login/>
- **SIGN UP to the website Member area** for access to all MAP's Agendas, Minutes, News and Member Directory. The website has been refreshed over the summer so take a look at our [co-chair profiles](#), updates about [Refugee Claimant Housing](#), the work of the BC CHARMS* Advisory Committee and much more.
- **BC CHARMS: Claimant Housing and Referral Management System (CHARMS) - BC CHARMS**
It was impossible to make an acronym out of 'Refugee Claimant Housing Referral and Data Management System' – the new collaborative project MAP / MOSAIC have launched with funding from MJEDC. Putting his inventive talents to good use Richard Belcham (inasmuch) came up with CHARMS – instantly adopted by the committee and much easier to remember. Gotta question about the project? Just ask us about CHARMS!

Happy summer everyone. And **Thank you** for all you are doing to support vulnerable refugee claimants - especially during these unprecedented times. Stay safe and well - and let's not let social distancing be a barrier to the folks we serve.

MAP Meeting Schedule – Fall 2020

Due to the COVID-19 pandemic ALL MAP meetings are held online via ZOOM currently.

MAP members will receive an invitation to register via ZOOM 2 weeks before each meeting, along with the agenda.

Housing Working Group and Advisory Committee Meetings also take place via ZOOM.

The MAP Executive is constantly reviewing these decisions and when it is deemed safe by the health authorities to hold in-person meetings MAP will return to this preferred format.

In the meantime here is the schedule for the remainder of 2020 and Presentation topics:

DATE

TOPIC OF THE MAIN PRESENTATION

Thursday September 24

Ministry of Mental Health & Addictions ‘Pathway to Hope’ Presentation and discussion on refugee claimant mental health.

Thursday October 22

Employment resources for refugee claimants – a panel discussion with lead employment specialists

Thursday November 26

‘The Neighbourhood House Movement and its impact on the community and refugee claimants’. Association of Neighbourhood Houses and discussion with MAP member Neighbourhood Houses

You are Invited! - Summer Micro-Picnics

Each summer, **Journey Home Community** hosts a large community picnic. With COVID-19, we have had to make some changes. We are **CAREFULLY** planning micro-picnics to balance being a community with our responsibility to promote the health, safety, and well being of all members of the community.

Goal: to facilitate social connections between JHC community members (refugee claimants) and members of JHC's wider support community.

Event: Micro-Picnics - gatherings of no more than 20 - at Moody Park, New Westminster, BC (Southeast Corner of the Park).

Safety Plan:

- All attendees are required to sign up in advance
- While at the picnic, all participants are asked to maintain 2 meters distance from one another
- Bring your own masks and hand sanitizer - we will provide PPE for those who don't have any
- bring your own food and drink - this is not a potluck style picnic

Journey Home will provide:

- Instructions and Guidelines
- A picnic-in-a-box which includes "distance games," plates/cutlery/napkins, sanitizer/masks/gloves, and other helpful items.

You and your family/friends/group will provide:

- Leadership and participation
- Welcome and connection
- NOTE: this is a community-driven initiative. Journey Home Community staff may or may not be in attendance each picnic.

How to sign up:

We are offering **three micro-picnics each week through the month of August**. These will take place every:

* **Tuesday at 6pm** * **Saturday at 11am** * **Sunday at 4pm**

Click the link below to register using "Sign-Up Genius" to select a date and time that suits you and your friends/family/group.

My name is Owen Stride, and I'm the Program Manager for YWCA TechLink, our newest employment program and IT/tech support service, at [YWCA Metro Vancouver \[ywcavan.org\]](http://ywcavan.org). I'm getting in touch as we'll be launching this free service on August 31, and I believe it could be a great resource for your clients and program participants who find themselves needing support with general IT/tech like video conferencing, setting up devices etc., especially as so much has gone virtual now.

Staffed by Canadians (both immigrants and young Canadians) who have a background in technology and a desire to build their Canadian work experience, TechLink will offer free IT and tech support over the phone and virtually to vulnerable members of the community in Metro Vancouver. The service will be able to help with general IT and tech-related queries - these can include questions around:

- Setting up devices
- Making video calls
- Setting up email accounts
- How to access government services (limited details so as to not expose personal details such as passwords)
- Accessing the internet - and more.

As we plan our training, we'd also love to know - what kind tech support needs do your clients have? Have you identified any specific areas where they need help? Please fill out this [survey \[forms.office.com\]](https://forms.office.com) to share your insights.

If you've got anyone in mind who might need general support with IT and tech, please share this [poster \[ywcametrovancouver.sharepoint.com\]](#) with them, and if you believe they could benefit from TechLink's free and friendly IT support, please email techlink@ywcavan.org to get booked in.

Appointments will be available from August 31.

Please forward this email to anyone working with those who could benefit from TechLink and send your questions re: the service.

Thank you in advance, Owen

*The Vancouver Plan team is seeking to engage residents **20 and under** this summer to start to address some gaps in engagement caused by postponed activities and programs due to the COVID-19 pandemic. At these events youth will have the opportunity to come together and talk about the neighbourhoods they want, and share their ideas for the future directly with the City. Feel free to reach out to Stina Hanson directly (stina.hanson@vancouver.ca).*

Announcing Pivot 2020: providing 1,200 jobs to youth across Canada. Applications open today!

We're excited to announce the launch of [Pivot 2020 \[trk.cp20.com\]](https://trk.cp20.com) – an urban research project that will hire 1,200 young people across Canada to support 27 cities in coming back bigger and brighter post-COVID. [160 co-op positions \[trk.cp20.com\]](https://trk.cp20.com) are available specifically for SFU students.

Pivot 2020 is a deep urban exploration and information gathering project led by 1,200 young people in 27 cities across Canada. These young people will collect data through surveying youth, interviewing community members and collecting benchmark information on the issues that matter to them most. It's good work changing cities.

want to make change in your city...

...and have experience managing program logistics and a team of people?

you'd be great for our...

city coordinator role

...and can supervise a small team and advocate for your city?

team leader role

...and love doing research and learning new things?

team member role

PIVOT

[\[trk.cp20.com\]](http://trk.cp20.com)

Through the project, the Pivot team will learn more about city-building and develop future employment skills, while connecting to a network of other young people invested in similar ideas. The findings will populate an open and accessible database grounded in priorities and opportunities determined by youth that can be used by planners, organizations, governments and more to make our cities bigger, brighter and better for all.

Need a job or know someone who does?

Participants Needed For Research On **How Legal Problems Affect The Lives Of Immigrants** (2 pages)

The **Inter-Cultural Association of Greater Victoria** is leading a study about serious legal problems experienced by immigrants in Canada, particularly those that could be solved through the justice system.

We are interested in:

- Types of legal problem you have experienced in the last three years or since your arrival in Canada (for example: disputes about a large purchase, with a landlord/landlady or about a mortgage, family members, employers or employees, neighbours, police, social assistance, immigration officials, health services, and others)
- The ways you have tried to solve this problem (through official legal channels or other)
- Financial, social, and/or health-related effects these problems have had on you and/or your family

We would like to invite you to take part in an online interview through ZOOM. It will last approximately 1.5 hours. You will receive \$30 to compensate for your time. To participate you will need a computer, tablet, or cell phone with a camera, microphone, and internet connection. An interpreter could be present if needed and if available.

Participation is voluntary and will not affect your relationship with your settlement organization. The interview will be recorded but the information that you provide will be completely confidential and will not be attributed to you.

If you are interested in taking part in this interview, please fill out an application form at www.surveymonkey.com/r/icaresearch [surveymonkey.com]. The interview will be conducted by Florentien Verhage (Ph.D.), coordinator of the Greater Victoria Local Immigration Partnership (GVLIP).

Thank you!
